## CHAPMAN GROVE

### **Semillon Sauvignon Blanc 2005**

A more mature example of this style with an added creamy richness adding to the lifted tropical and herbaceous notes.

Balanced with a nice persistent finish.....*Ray Jordon, noted expert on WA wines.*

### **Chapman Grove**

Chapman Grove Wines is a small privately owned company dedicated to crafting Fine Wines from the Margaret River region of Western Australia.

The aim of Chapman Grove Wines is to enhance life's experiences with fine wines and to take Margaret River Wines to the world.

The Chapman Grove wines are all estate grown and designed to be approachable, unpretentious and easy current drinking with some cellaring potential.

### **Summary Details**
